## Four-Step Framework to Harness the Power of Music

### Step One

Demonstrate leadership by appointing a Power of Music Commissioner, setting up a cross-government taskforce and establishing a cross-sector consortium.

### Step Two

Mobilise support for and engagement with the power of music through a national campaign and creation of an online resource centre.

### Step Four

Combine existing funding and seek new focused investment to make music more accessible for all.

### Step Three

Integrate music into our health, care and education to unlock its full potential to support our national health and wellbeing.
